Why Should You *Write Now* with Markel's On-line Rating System? That's easy!

- √ **Competitive rates.** We have them for a wide range of risks ranging from a PWC or runabout to a cruiser or motor yacht to a performance Vee or CAT and everything in between. Our longevity in the challenging side of this business has inured us to the benefit of the standard and preferred risks, giving us excellent placement in the market.
- √ **Strong coverage.** The Markel Boat, Markel High Performance and Markel Helmsman Yacht products all provide industry leading coverage. Our partnerships with surveyors, maritime attorneys, safety experts and manufacturers allow us to develop the best forms in the industry.
- √ **Ease of Use.** The MAGIC system allows you to quickly and efficiently write business.
- √ **Less paper, fewer touches.** You bet. And all output is stored in the system and available for your review at any time – so you don't have to keep hard copies in your office.
- √ **Unsurpassed service.** That's Markel. We have underwriters with marine expertise and you've told us our service consistently outperforms our competitors -- the MAGIC system will help us to continue to surpass your expectations.
- √ **Claim expertise.** We have unparalleled service and empathy delivered by the same technically expert marine examiners – it's what you've come to expect from us and what we'll continue to deliver.
- √ **Partnership.** We value each and every one of you and we listen when you share your thoughts. Our enhanced products, rates and the MAGIC system are examples of how we deliver.
